KOCCA

Kocca's peculiarity is its frame, that highlights this chair's silhouette, and supports and embraces its seat. The frame is actually very essential both in the shape and material – a simple metal tube with antiquated brass finishing. The rigor of this design choice is in contrast with the softness of the seat and the informal details. The quilting of the back gives a vintage look, but with a modern touch. All of this is obtained thanks to the craftsmanship we are capable
